COMMUNITY CENTER ROOM RENTAL POLICY

General Room Rental Policy

It is Troy Township Community Room policy to maximize community use of the center to the public and to balance rental rates with actual operating costs as much as possible. Troy Township residents, Troy Township businesses and all nonprofit organizations have priority access for non-commercial activities at discounted rates. Business activities are those for which a charge is made to attend or for events where sales of a product or service are promoted on the premises. Non-Troy Township residents and businesses are welcome, as space allocation permits, at the regular rate.

Implementing Guidelines

1) Contracts

All room rentals require a completed application signed by an authorized person of the renting party. The application defines the use terms, date, time and cost. The time starts when the room is opened for the user, including user preparation and ends when the user vacates the building.

2) Booking

Community room is available on a first-come, first-served basis. Private events may be booked no more than three (3) months in advance. Regular weekly or monthly users may reserve the room for three months at one time upon review by the Troy Township Board. However, such reservations are subject to change by Troy Township to facilitate other events.

3) Room Availability & Use

Room availability is subject to the practical constraints of set-up requirements, breakdown, cleaning and conflicts with other uses.

- a) Some dates may be blocked to allow for township meetings and events.
- b) Troy Township Community Center is closed on all major holidays.

4) Rates & Deposits

Troy Township users enjoy reduced rental rates. A deposit must be paid at the time the room is reserved. Regular weekly or monthly users must maintain a single period deposit to cover future reservations. An additional charge will be made for kitchen/coffeepot use. Room rates are stated as a three-hour minimum use, with a provision for overtime for business and private party events. **Deposits will be refunded within a reasonable time after the event.**

5) Cancellation

Room use may be cancelled without penalty no later than three (3) business days prior to the booked date. Note: If the room is rented to a replacement user, the original renter will receive a refund of 50% of the amount prepaid. A two (2) hour rental rate is charged for no shows and not fulfilling rental agreement.
